

# Susan Anderson

Susan has extensive experience as Corporate Counsel in the construction, value-added agricultural and renewable fuels industries, as well as the hospitality industry. She has served as General Counsel for Fagen, Inc., and Associate General Counsel and VP-Legal Services for publicly traded corporations in the broadband, interactive services and energy industries. Susan has extensive legal and operational experience in corporate governance and compliance, equity and debt financing, human resources management and training, environmental, real estate, energy and regulatory areas of law. She also has government affairs experience as a registered lobbyist and media relations liaison. Additionally, Susan is an adjunct professor at the University of South Dakota Beacom School of Business and is a leadership/professional development workshop facilitator delivering events throughout the United States.

## PROFESSIONAL EXPERIENCE

With over 27 years of legal experience, Susan started her career as a Corporate Attorney and the Vice President, Legal Services at Northwestern Services Group, Inc. With both legal and project management expertise, she led a multi-million-dollar environmental insurance recovery project and was the corporate Governance and Compliance Counsel for the corporation.

From there, Susan went on to become the General Counsel for several organizations in the Midwest, providing legal counsel and litigation management as needed and employee training on various topics.

With her knowledge of real estate law, contracts, HR law and transaction business law, she is able to speak and train on various topics related to leadership and development.
